

Coffee Connection for our Prueter Community

MENTAL HEALTH AND YOUR FAMILY

Coffee Connection meetings are about meeting other parents and learning things that will help us to support our families. It's about healthy relationships and community wellness.

Our school psychologist and social worker will be presenting on mental health and your family. These two professionals between them have a background in neurological psychology and children, family counselling and child play therapy. They are coming to share with us and to answer our questions.

When: Monday, May 30

Where: Prueter School
Library

Time: 9:30-10:45am

Details: Coffee and snacks provided. Childcare is also available for pre-schoolers in Room 15, our community hub. (Free!)
